

Philosophy

Safia Pure - enables you to have healthy skin and shiny hair.

Safia's brand name in Arabic means "pure". At Safia, we believe that everyone should enjoy healthy and beautiful skin. Every day, from cosmetic chemicals, preservatives, alcohols and benzoates your skin will be absorbed by the skin by more than 60%, so you should make a healthy choice. Safia Argan Oil is a 100% natural pure Moroccan, with perfect anti-aging, skin and hair regeneration, and protects the skin. It is extracted from pure organic clean Argan oil source in a non-polluting environment in southern Morocco.

Our philosophy of health is not just about our skin and hair care products, but also in our supply chain. We believe, "If you don't think about eating it, don't put it on your skin or hair." In this way, our source of arganic acid comes from cooperatives who ensure clean and pure oil, we guarantee its purity and quality, according to its ECOCERT certification and export inspection.

Product Information :

High quality vacuum pump bottle

Moroccan argan oil (also known as Argan oil), which is extracted from nuts grown on Moroccan argan trees, has been used by Moroccans for generations. In recent years, research has found that its many unique chemical components make it a beauty treasure to deal with various skin and hair problems!

Since then, argan has been attracting constant attention from the outside world. European and American countries import a large amount of argan oil from Morocco every year. It has been recognized as “liquid gold” in the world and has become a reliable natural skin care product.

It has a moisturizing effect on your skin and hair. We give you only pure, natural organic oils, without any harmful chemicals or treatments; this organic solution can significantly soften and repair your body, face and hair. It is rich in vitamin E, omega 3 fatty acids and omega 6 fatty acids, and omega 9 fatty acids.

It is easy to see why pure Moroccan Argan oil is often referred to as “liquid gold”. This oil will make you feel very moist every day, it has a strong and lasting repair ability. Safia only imports pure oil so you can fully enjoy its natural strength.

Health Benefits of Safia Argan Oil :

Safia Argan oil is an all-natural, organic certified native of southwestern Morocco, a premium cold pressed oil extracted from the argan tree. It does not contain any chemicals and is safe for all hair types, skin and body types.

Benefits :

- Anti-aging, create softer, smoother skin.
- Helps relieve dry skin, eczema and psoriasis
- Reduce facial paralysis
- Reduce muscle pain
- Desalination of scars, reduce scars and stretch marks
- Effective moisturizing
- Non-oily, non-greasy, deep penetration
- Reduce wrinkles
- Relieve dark circles
- Mild antibacterial
- Repair dry, crisp, curly and damaged hair
- Protect against cold winds, pollution and smoke
- Suitable for all skin types and hair types

Dry skin

Even if you have chronic and dry skin, Moroccan Argan nut oil can rejuvenate with deep soothing power. Pure Moroccan A fortune oil will make your skin repair skin damage easily and naturally, and keep your skin soft.

Anti-Aging

Pure argan oil contains nutrients such as vitamin E and antioxidants to protect your skin from long-term damage. It suspends the deepening of wrinkles by protecting the skin and keeping it strong and young.

Hair care

Moroccan argan oil does not only give your hair a shine – it helps your hair follicles get the nutrients it needs and promote healthy hair growth. At the same time, Moroccan argan oil can also be used as a powerful conditioner to remove the split ends and edgy of your hair, bringing you soft and shiny hair.

Moisture Cream

In just a few seconds, Safia's organic nut oils make your skin smooth and healthy. This 100% natural moisturizer is gentle enough to be applied to your face, body and hair. It only strengthens your skin and hair cells because it is a work of art.

Skin allergies

When your skin is inflamed and red, argan oil can reduce inflammation, keep your skin hydrated, and rejuvenate microscopic substances.

How to use it :

- 1) Direct topical application on skin, hair, cuticles, lips and nails for protection and repair
- 2) Add 3 to 5 drops on to your own moisturizer for better moisturizing effect
- 3) Can add as a base oil for essential oil blends
