Introduction to Whittard Chelsea

Whittard Chelsea

Ever since the founder Walter Whittard first set up the shop back in 1886, Whittard has been committed to sourcing the highest quality tea, coffee and cocoa from specialist producers across the globe.

Today, the company remains true to their founder Mr. Walter Whittard's tea philosophy "to buy the best and blend the brightest".

Whittard Chelsea has been awarded 22 Great Taste awards over the past three years across Tea, Coffee and Hot Chocolate.

Amongst its awards, English Rose Tea is a blended black tea that gives a sweet and flowery aroma and is perfect as an afternoon tea to enjoy with your loved ones. The rose aroma is great for relaxation and calming emotional stress. Why not take a cup a day during tea time for its special fragrance and benefits?

English Rose Tea :

Description :

It was during China's Ming Dynasty that tea artisans first experimented with buds and blossoms, imbuing the leaves with essential oils. Whittard Chelsea recreated the taste of a classic "Meigui Gongfu" rose tea by using a black tea for the base, imbued with subtle floral flavours and scattered with rose petals. The tea might be authentically Chinese, but those wonderfully aromatic notes of rose are forever England.
